

REMARKS

Summary of Office Action

Claims 1-162 were pending in this application.

The Examiner has stated that these claims are drawn to two distinct inventions and has required restriction to a single invention as follows:

Claims 1-120, drawn to automatically tuning a television channel based on viewing history, classified in class 725, subclass 38.

Claims 121-162, drawn to automatically tuning a digital music channel based on listening history, classified in class 381, subclass 81.

Applicants hereby elect without traverse the invention of claims 1-120 for examination in this application.

An early and favorable action is respectfully requested.

Respectfully submitted,

Cathy Ding
